

Upcoming Meetings and Workshops

Feel free to [contact us](#) or use the wiki if you want to update or add any CSDMS related conferences to the list below.

About the table:  means that it's a CSDMS or CSDMS (co) sponsored meeting.

When	Subject	Where	Type
Dec. 11	CSDMS Steering committee meeting	Boulder, CO, USA	
Dec. 14-18	American Geophysical Union (AGU) Fall meeting. CSDMS related sessions: <ul style="list-style-type: none"> • Computational Modeling of Landscapes and Seascapes: Models, Data Sets, and Applications (EP03) • Quantifying the Sensitivity of Landscapes to Climate-Change (U07) • Challenges in Achieving Earth System Model Interoperability (IN11) • Response of Sedimentary Systems to Rapid Climate and Sea Level Changes and its Impacts on Humans (U01)(<i>not sponsored by CSDMS</i>). • Arctic Coasts at Risk (EP17). 	San Francisco, CA, USA	
2010			
Jan. 20-22	The first international conference on Frontiers in Shallow Subsurface Technology FSST	Delft, the Netherlands.	
Feb. 22-26	Ocean Sciences Meeting	Portland Oregon, USA	
Mar. 7-10	Innovative Geoscience Solutions ? 9th Middle East Geosciences Conference and Exhibition.	The Kingdom of Bahrain	
Apr. 6-9	The 8th International Conference on Computing, Communications and Control Technologies: CCCT 2010	Orlando, Florida, USA	
Apr. 11-14	Joint annual meeting of AAPG and SEPM <ul style="list-style-type: none"> • Numerical and Physical Modeling of Sedimentary Processes • Climatic Controls on Sedimentation: Thinking beyond Sediment Supply Rate • Numerical and Physical Analog Modeling of Climatic and Tectonic Controls on Sedimentation • Deltaic Coasts and Society: The Mississippi Delta and Beyond; Session Chairs: Steven L. Goodbred, Torbjörn E. Törnqvist 	New Orleans	
May 17-21		Tainan, Taiwan	

	The Third International Congress on Arsenic in the Environment: <u>Arsenic in Geosphere and Human Diseases</u>		
May 24-26	IWMO-2010: 2nd International Workshop on Modeling the Ocean	Norfolk, VA, USA	
Jun. 6-11	ASLO-NABS 2010 Meeting: <u>Global Changes from the Center to the Edge</u>	Santa Fe, New Mexico, USA	
Jun. 14-18	International Symposium on <u>Sediment dynamics for a changing future</u>	Warsaw, Poland	
Sep. 26-1	18th <u>International Sedimentological Congress</u>	Mendoza, Argentina	
Sep. 29-1	<u>Deltas in Times of Climate Change</u>	Rotterdam, The Netherlands	
<i>2012</i>			
Aug	34th <u>International Geological Congress (IGC)</u>	Brisbane, Australia
