

CSDMS 2011 ANNUAL Meeting

Impact of time and process scales

October 28-30th, Boulder, Colorado, USA
http://csdms.colorado.edu/wiki/Form:CSDMS_2011_meeting

(Remember to make your arrival/departure plans to/from Denver Airport/Boulder: http://csdms.colorado.edu/wiki/Directions_to_CSDMS)

VENUE UCAR Center Green Campus, CG1 Bldg: (<http://www2.ucar.edu/campus/center-green-campus>)

AGENDA (Drafted October 12, 2011. Please also check online for updates at: http://csdms.colorado.edu/wiki/Form:CSDMS_2011_meeting.)

Thursday, Oct. 27th: (Arrivals and hotel check-in)

Friday, Oct. 28th

- 07:30 **Bus departs 7:45am from hotel*** (Continental breakfast/coffee available at meeting)
Session Chair: Rudy Slingerland (Penn State Univ.)
- 08:30 James Syvitski (Univ. Colorado/CSDMS) & Stein Sture (Univ. Colorado Vice-Chancellor for Research):
Welcome, CSDMS Overview, update, meeting points
- 09:30 Eunseo Choi (LDEO, Columbia Univ.): Bridging surface dynamics to tectonic modeling with SNAC
- 10:00 Michael Pyrcz (Chevron): Applications of Rule-based Models and Geostatistics
- 10:30 BREAK
Session Chair: Ramesh Singh (Chapman Univ.)
- 10:45 Andrew Wickert (Univ. Colorado): Feedbacks between surface processes and flexural isostasy: a motivation
for coupling models
- 11:00 Robert Anderson (Univ. Colorado): Glacier hydrological modeling
- 11:30 Jorge Darwin Abad (Univ. Pittsburgh): Morphodynamics & river models
- 12:00 Cathy Manduca (Carlton College): Quantitative modeling and education
- 12:30 LUNCH
- 13:30 **Parallel Clinics**
Scott Peckham (Univ. Colorado/CSDMS): Topoflow (Terrestrial/Hydrology)
Brad Murray (Duke Univ.) & Andrew Ashton (WHOI): CEM (Coastal)
Eric Hutton (Univ. Colorado/CSDMS) & Irina Overeem (Univ. Colorado/CSDMS): Sedflux (Marine)
Rudy Slingerland (Penn State Univ.): Deriving Dynamic Earth System Models (Geo-Modeling)
- 16:00 **Poster Session #1** (with refreshments)
- 18:00 **End of Day 1** (Bus back to Hotel - dinner on one's own)

Saturday, Oct. 29th

- 07:30 Bus arrives. **Bus departs 7:45am from hotel***
Session Chair: Balazs Fekete (CCNY/CUNY)
- 08:30 Sybil Seitzinger (Intl Geosphere-Biosphere Programme/IGBP): GlobalNEWS—C&Nutrient Transport Modeling
- 09:00 Patricia Wiberg (Univ. of Virginia): Scaling marine sediment transport
- 09:30 Alberto Canestrelli (Boston Univ.): Tidal channels and estuarine dynamics
- 10:00 Man Liang (Univ. Minnesota): A Reduced-Complexity Channel-Resolving Model for Sedimentary Delta Formation
- 10:15 BREAK
Session Chair: Philip Hill (GSC-NRCan)
- 10:30 Ad Reniers (Rosenstiel School of Marine and Atmospheric Science, RSMAS): XBeach
- 11:00 Malcolm Scully (Old Dominion Univ.): ChesROMS
- 11:30 Catherine Villaret (Électricité de France/EDF): Telemac
- 12:00 LUNCH
- 13:00 **Parallel Clinics**
Gregory Tucker (Univ. Colorado/CIRES), Nicole Gasparini (Tulane Univ.) & Stephen Lancaster (Oregon State Univ.):
CHILD (Terrestrial)
Bert Jagers (Delft) & Doug Edmonds (Boston College): Delft3D (Coastal)
Peter Burgess (Royal London Holloway Univ. of London): Cyclopath & CarboCAT (Marine)
David Pugmire (Oak Ridge National Laboratory/ORNL): VisIt (Generic)
- 16:00 **Poster Session #2** (with refreshments)
- 17:45 **End of Day 2 –** (Bus back to Hotel) (Hosted BANQUET this evening)

Saturday, Oct. 29th - continued

Evening Banquet: The Marriott Boulder (<http://www.marriott.com/hotels/travel/denbo-boulder-marriott/>)

- 18:30 (Bus loads & departs hotel at 6:40pm) (Weather permitting it is also a short walk from hotel, if you choose)
19:00-21:00 **Banquet**
21:30 (Bus loads & departs for hotel by 9:45pm) (Weather permitting it is also a short walk to hotel, if you choose)

Sunday, Oct. 30th

Those departing may arrange early am check-out of the hotel. Bags may be held at hotel for departures at/after 7pm (buses return to hotel by around 6:30-7pm). If you are making plans to depart earlier than 7pm, you may keep your bags with you at UCAR meeting rooms and arrange for your ride to pick you up from UCAR.

- 07:30 Bus departs 7:45am from hotel* (<http://www.millenniumhotels.com/millenniumboulder/index.html>)
Session Chair: Mary Hill (USGS-NRP)
- 08:30 Balazs Fekete (CCNY/CUNY): Global hydrology
09:00 Michael Barton (Arizona State Univ.): High Resolution Surface Process Modeling in a GRASS GIS Environment
09:30 Dylan Ward (Univ. New Mexico): Modeling the glacial-interglacial impact of the Pacific trade wind inversion on the geomorphology and hydrology of the Big Island of Hawai'i
10:00 Elchin Jafarov (Univ. Alaska – Fairbanks): Modeling Permafrost – a CMT component
10:15 BREAK
Session Chair: Larry Hinzman (Univ. Alaska- Fairbanks)
- 10:30 Jonathan Goodall (Univ. South Carolina): Integrated modeling & data access — CUAHSI HIS HydroModeler
11:00 Reed Maxwell (Colorado School of Mines): ParFlow
11:30 Eckart Meiberg (UCSB): DNS modeling & upscaling
12:00 LUNCH
13:00 **Parallel Clinics**
David Tarboton (Utah State Univ.): TauDEM (Terrestrial/Hydrology)
Chris Sherwood (USGS): ROMS CSTMS (Marine)
Irina Overeem (Univ. Colorado/CSDMS) & Scott Peckham (CU/CSDMS): CMT clinic (Generic)
Thomas Hauser (Univ. Colorado): HPCC clinic (Generic)
- 16:00 **Working & Focus Research Group Meetings (review Strategic Plans) (refreshments)**
Terrestrial & EKT (Tucker & Overeem)
Hydro & Cyber (Goodall & Meiburg)
Marine & Chesapeake (Wiberg & Friedrichs)
Coastal & Carbonates (Murray & Burgess)
- 17:45 **End of CSDMS Meeting 2011 (Bus back to Hotel - dinner on one's own)**
Continued Departures

*** Bus Schedule: It is HIGHLY recommended that you not miss the CU bus.**

University of Colorado (CU) buses will transport you from the Millennium Harvest House Hotel to the meeting venue (UCAR Center Green Campus, CG1). **NOTE: The buses will load at 7:30am and depart at 7:45am from outside the hotel and return you to the hotel after the meeting ends.** Buses will load from UCAR CG1 at 5:45pm to 6:00pm and depart by 6:15pm (departure will be from 5:45pm to 6:00pm on Oct 29 to accommodate the evening banquet). The drive to/from the hotel/UCAR takes about 15-20 minutes. If you need to arrive/depart at other times, the next best option would be to contact the Millennium Hotel to see if their shuttle is available (The cost would be USD \$8.00 each way from the hotel/UCAR). Other alternatives include the **RTD Bus System:** [<http://www.rtd-denver.com>]. To find the bus route, in the directional fields input the hotel as 'Arapahoe & 28th Street (choose Boulder) and input UCAR as 'Valmont & Center Green Drive'. **UCAR Shuttle:** On Friday only you may catch a UCAR shuttle but only during peak hours (6:45-9:00am, 11:30am-1:00pm, 4:00-6:45pm). The nearest pick-up/drop-off point from the hotel is the 29th Street Mall point located by the California Pizza Kitchen by the intersection of 28th St. and Canyon St. It is a couple blocks walk from the hotel. Visit this link for exact information on where to catch the UCAR shuttle: [<http://www.fin.ucar.edu/sass/transport/shuttserv.html>]. **Taxi:** The Millennium Hotel will assist you with taxi service.

~~

Monday, Oct. 31st (Invitation only) (Meetings held at the Millennium Harvest House Hotel)

- 08:00-10:15 **Meeting of the CSDMS Executive Committee** (8-8:15am breakfast. 10-10:15am break)
10:00-12pm **Meeting of the CSDMS Steering Committee** (10-10:15am break, 12:00-2pm lunch)
Departures of Executive and Steering Committee members
